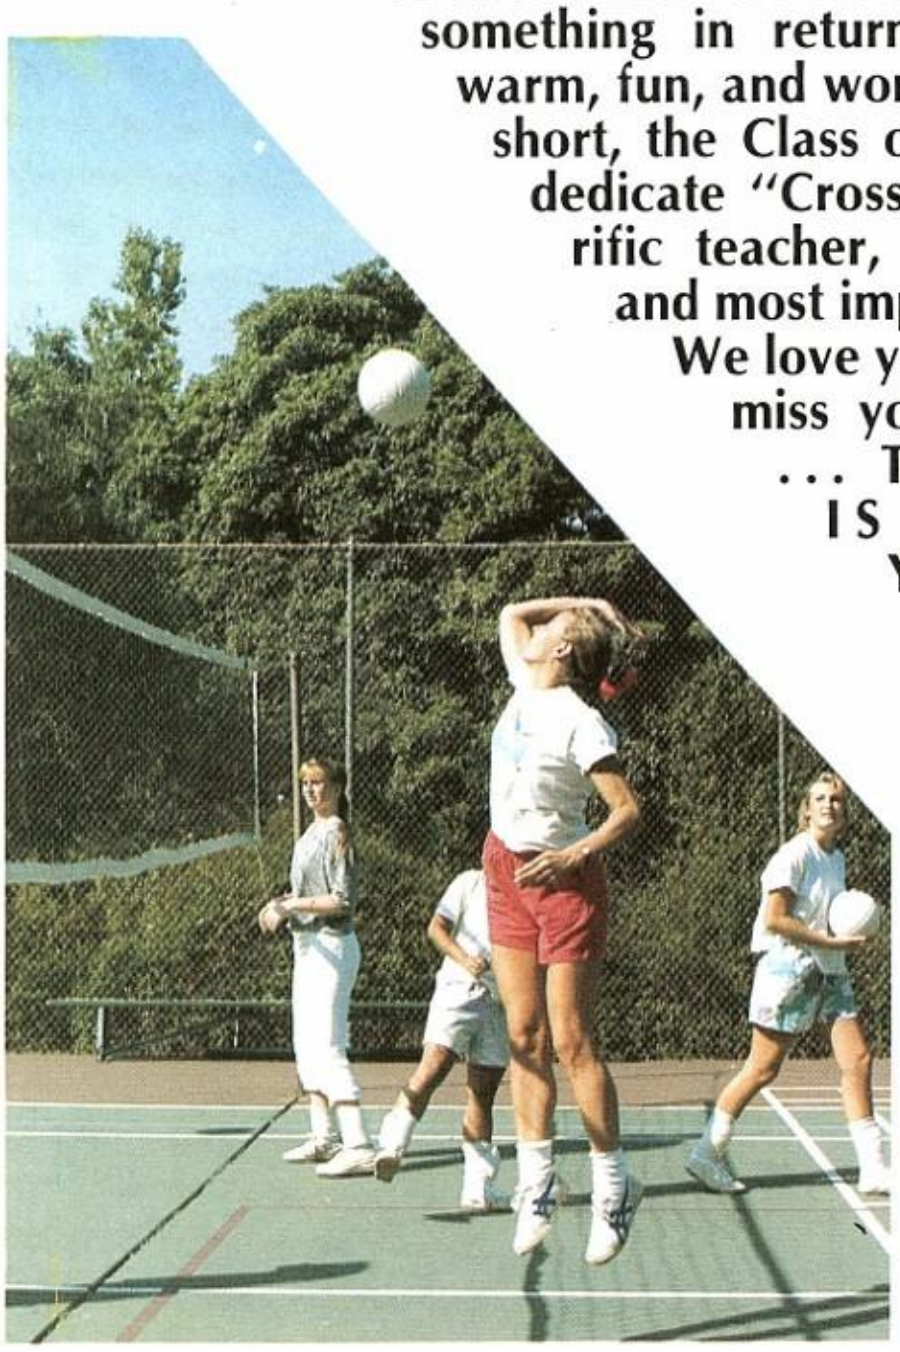
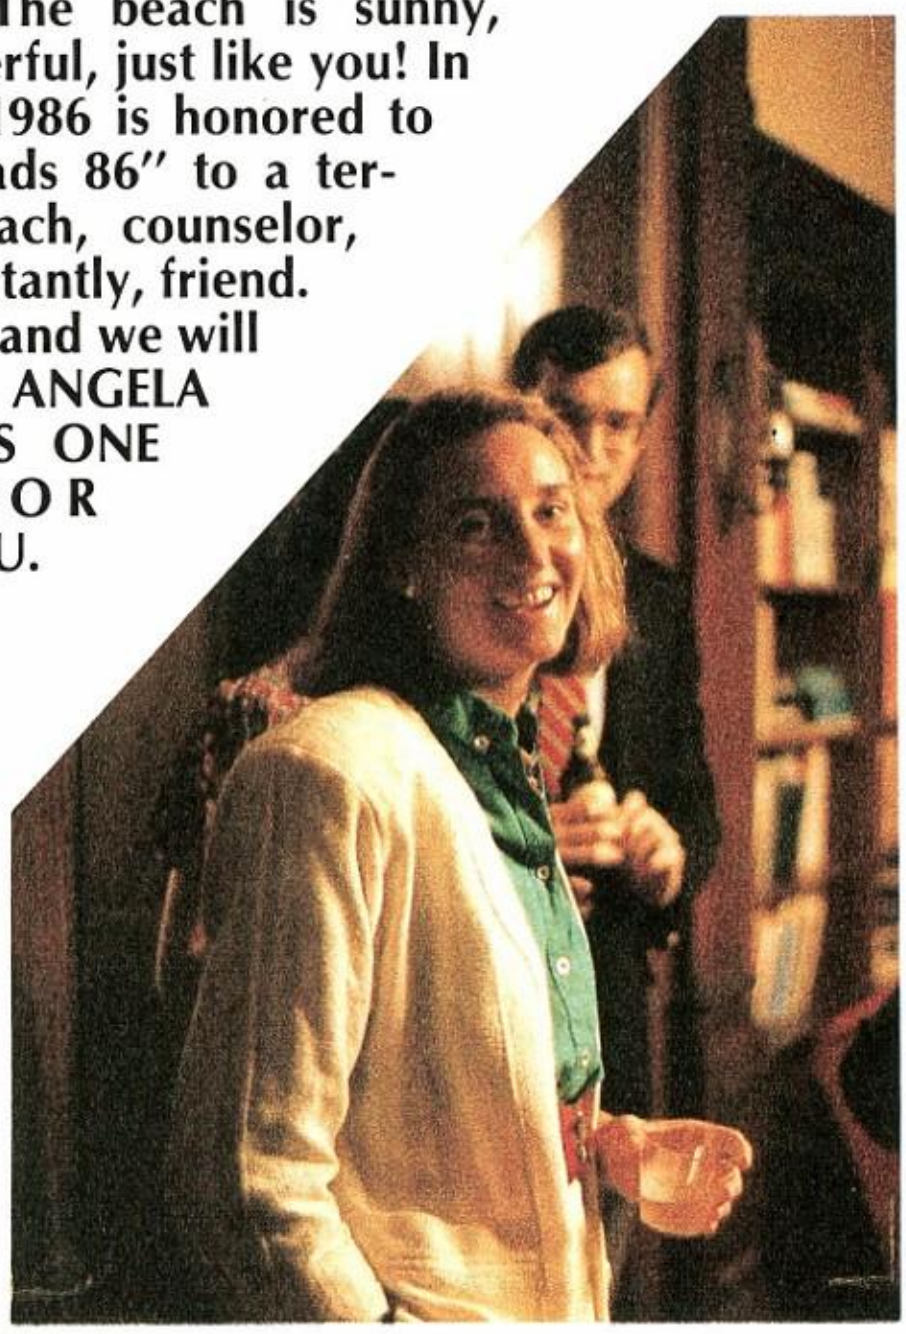
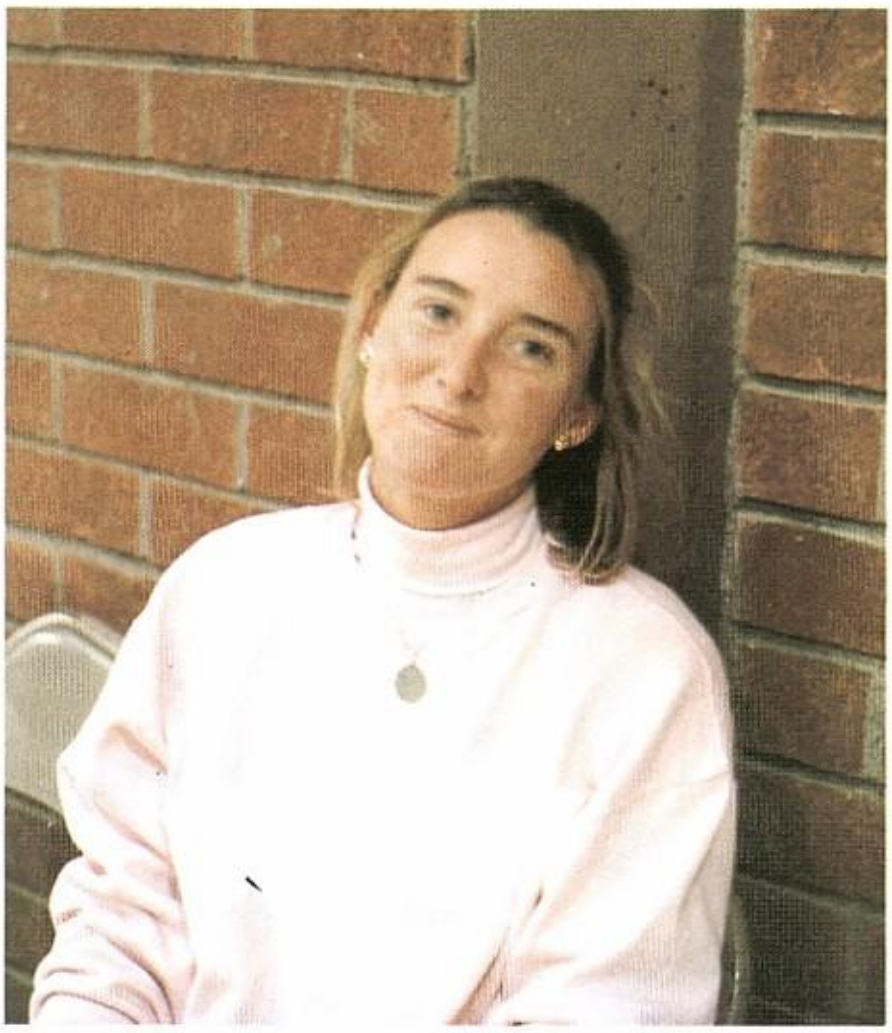
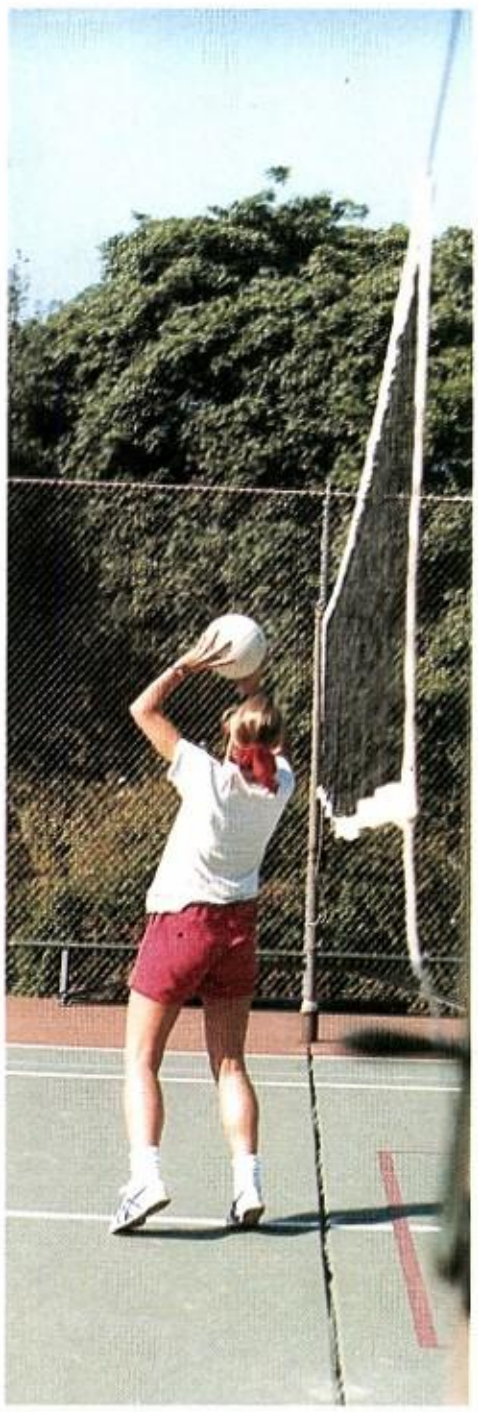
ANGELA — It's been a long four years, but we have finally made it, thanks to you. All throughout our days of roaming the halls and courts you cheered us on to victory and pepped up our spirits when we were low . . . that meant so much to us! How could we have survived our sophomore dances and *especially* our unforgettable prom without you to hold us together? Angela, you've given a great deal to us and now we would like to present you with something in return. The beach is sunny, warm, fun, and wonderful, just like you! In short, the Class of 1986 is honored to dedicate "Crossroads 86" to a terrific teacher, coach, counselor, and most importantly, friend. We love you and we will miss you. ANGELA

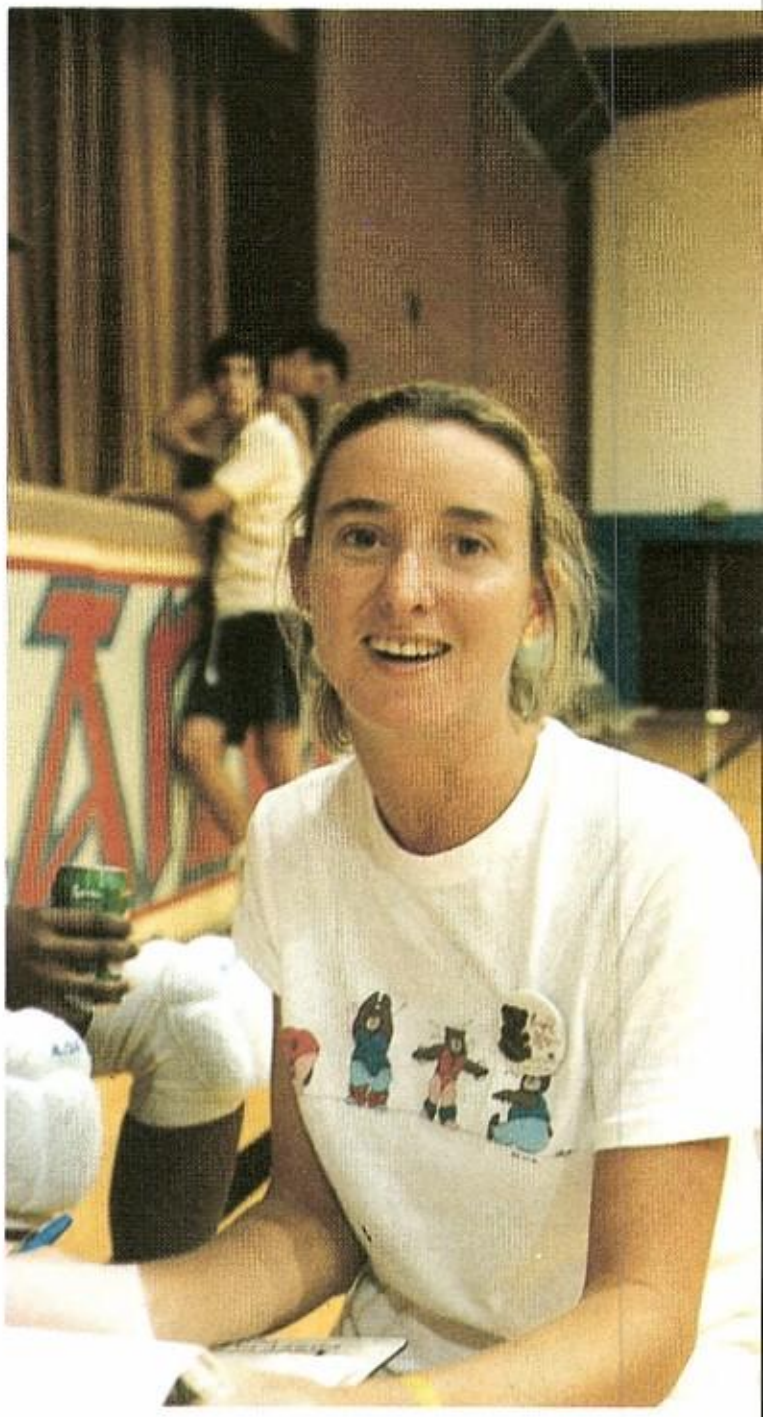
. . . THIS ONE IS FOR YOU.



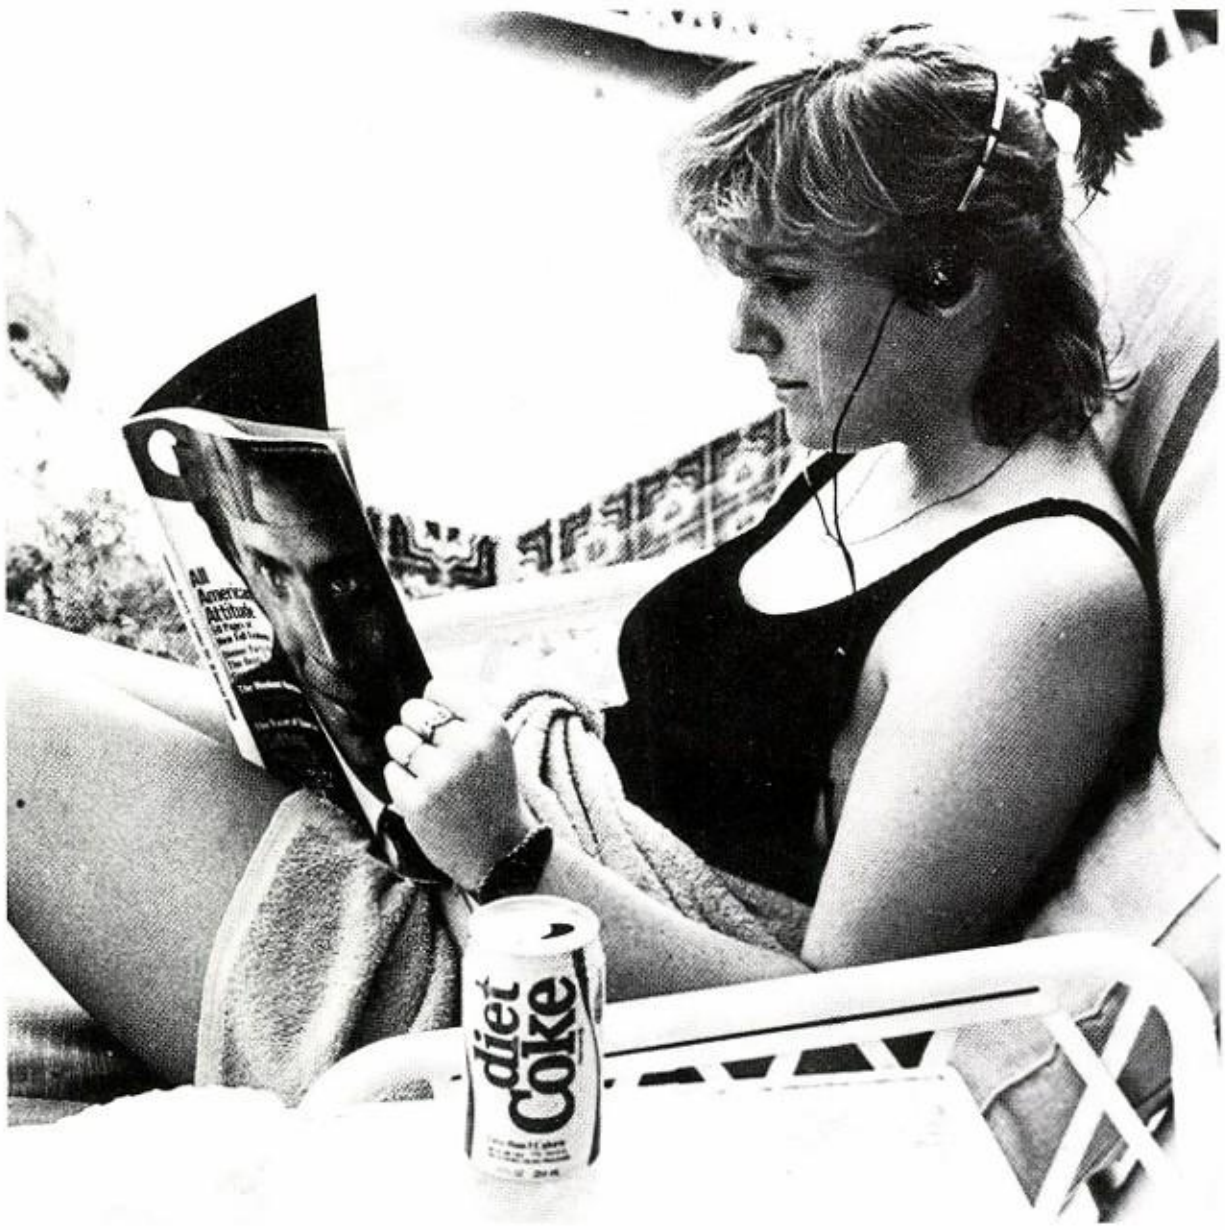


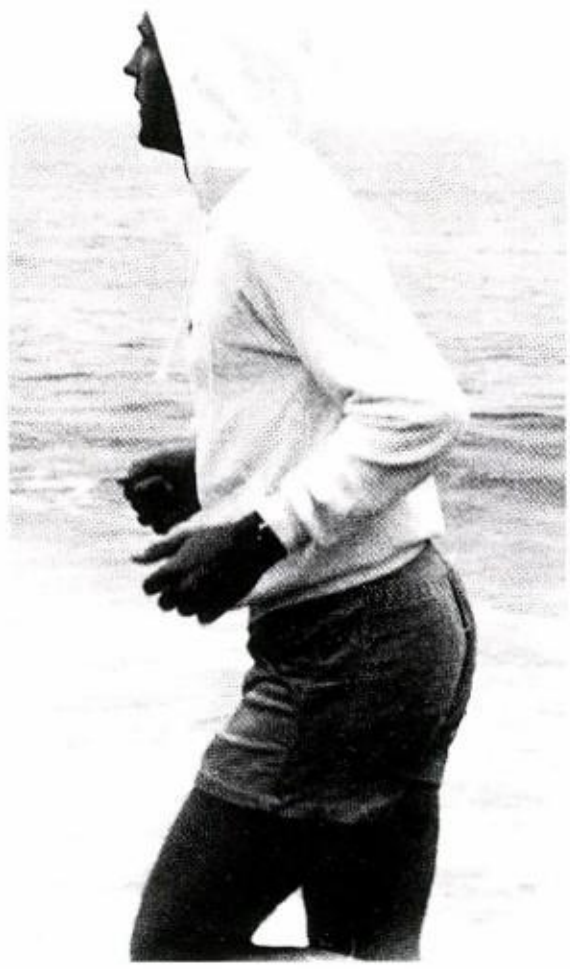






"Tell the teacher we're surfin' . . ." so the Beach Boys croon. Who **honestly** wants to lounge around in a stuffy classroom when beyond the skyscrapers sleeps a wild turquoise ocean just waiting to be wakened by the laughter of young beachbums? With a blazing sun grinning over Southern California, rows of various shades of white, scarlet, and brown bodies bask over inviting golden sands along the coast. Air-conditioners blast, as do a myriad host of portable stereos. A rainbow of surfboards skim the whitecaps until the sun goes down, then the beachbums race for the bonfires and clambakes. There is **no** time like summer! There is **no** place in the world like the beach . . .





"We can't wait for June!"

"If everybody had an ocean across the U.S.A . . ."

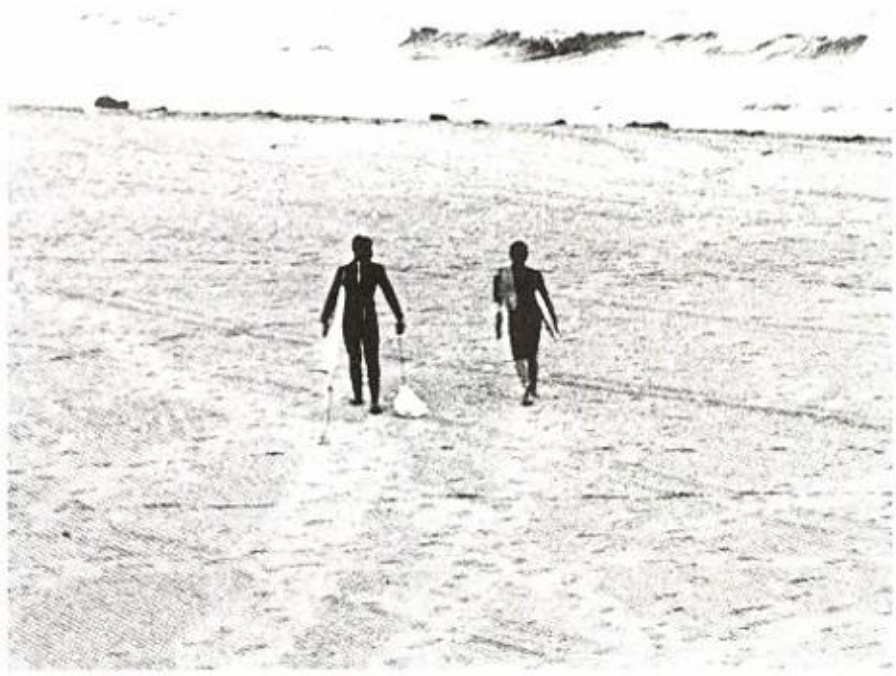
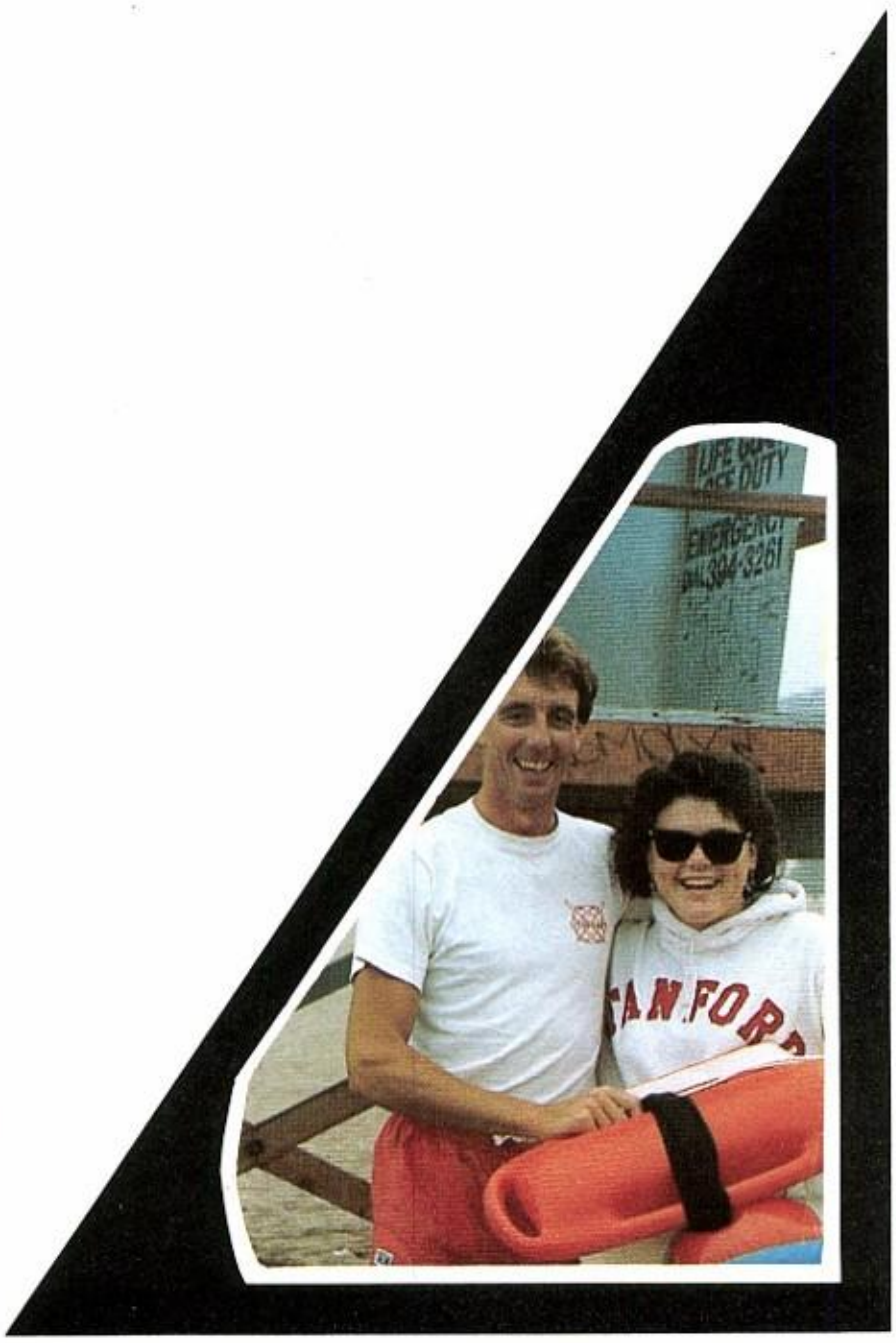
"Then everybody'd be surfin like California . . ."



"We'll all be gone for the summer, we're on safari to stay . . ."



"Tell the teacher we're surfin' surfin' U.S.A.!"

FRESHMEN

Once again, a fresh batch of bright-eyed students graced the marble halls of Mayfield and braved the infamous underclassmen locker room. In this first season, these girls could ponder such thought-provoking issues as what to get from Minotti's lunch truck — french fries, cookies, taquitos, and a diet soft drink? No! Cupcakes, a fried burrito, and a diet soft drink! And still, they will have several more years to wonder why they gained ten pounds when they *always* had diet cola with lunch and *nothing* fattening. Ah, the highs and lows of freshman life! As the old song goes, "Make new friends but keep the old . . . one is silver and the other gold." In these next three years, one surely can expect Mayfield to be strewn with little sparkles of silver and gold all engraved with "Class of '89."

Maureen Mary Shea, Gift of Joy 1968-1985

I can't help but think what you're doing now.
Why can this be?
So sweet, so young, so innocent;
I see your smiling freckled-face
Grinning with pleasure.
And when you laugh, your face wrinkling as you giggle.

I remember you telling me once
"We have so many memories,"
I thank God for those
Which I will never forget and will always cherish.

Your grimace of tears
Seldom only came.
There are no tears now;
Just happy thoughts and laughter.
That's how I remember you best.

No one knows, but beyond the sunset
Awaits a place only you conceive
And a harvest of sunshine
Brings us closer to what we were created for.

I may lose a song or story
We know this is true.
Years may come and bring their sorrow
But I will never lose a friend like you.

Save a place for me, for all of us;
I know you are there.
All of us await the day until we can be with you.
We love you Maureen!

Laura Mackey, under Mary Mahan's supervision, and the Girls' Athletic Association, had a superb year consisting of athletes arduously practicing to lead their teams to victory. They also raised money by selling lunch to the school. Every year G.A.A. just has more and more spirit!

CHRISTIAN ACTION MOVEMENT

The Christian Action Movement (C.A.M.) annually devotes its time to aiding the poor and less fortunate. This year's president, Monica Smith, not only encouraged all to join and contribute, but also sponsored days of fast, masses, and drives. This year, we have accomplished a lot, and C.A.M. helped us head it in the right direction.

The Whole Journalism Gang

The imaginative and industrious female journalists put a lot of time and effort into Crossroads 1986. The Editor-in-Chief, Jane Collins, and Assistant Chief, Patti Bannan, organized the yearbook and kept each department scribbling, clicking, and typing away. The editors of each staff, Business Editor, Margi Collins; Layout Editor, Heather Angelica; Art Editor, Chiga Funaki; Photography Editor, Elisa Szollosy; and Copy Editor, Bernadette Garcia, kept their staffs from going crazy because of all the dreaded deadlines! The life saver of the bunch, Ms. Johnson, was the head honcho and supported everything we did in the class. And look what we've done!

This year's Student Council were **assuredly** no lazy beach bums! Mr. McManus, Ms. Bologna, Ms. Gillick, and Ms. Howell kept them all in line while they strove for and achieved their goals for the school year '85-'86. By enlivening our dismal Monday morning moods with their usual "sunny" atmosphere, they also reminded us of our famous school motto, **"Actions not Words."** Jane Collins successfully led the crew with the help of assistant lifesavers, Vicky Corral, and Bernadette Garcia. The secretary, Patti Bannan, scribbled away at each meeting, while Monica Smith reminded us all to aid the starving and oppressed around us. Last, but not least, were Gigi Bannan who "kept us all in the swim" with new and exciting activities, and Laura Mackey, who aroused all our "sporting" spirits. Thanks to them, '85-'86 proved to be another **magnificent** year!

BIG/LITTLE SISTER LUNCH

Today was a special and fun day of meeting new people and starting long-lasting friendships. The warm sunshine on the East Lawn made this time, for the Big-Little Sister Luncheon, a special one. The incoming freshmen met their big sisters, the juniors, and the sophomores gathered together with their senior sisters. They munched delectable lunches varying from double-decker submarine sandwiches to apple cider sipped in **champagne** glasses . . . not to mention all the sinfully sweet treats. It was easier to adjust to the first few days of school because of this fabulous luncheon. As lunch slowly crept to a close, everyone left reluctantly but cheerfully with the happy memories they had just shared together.

BARBEQUE

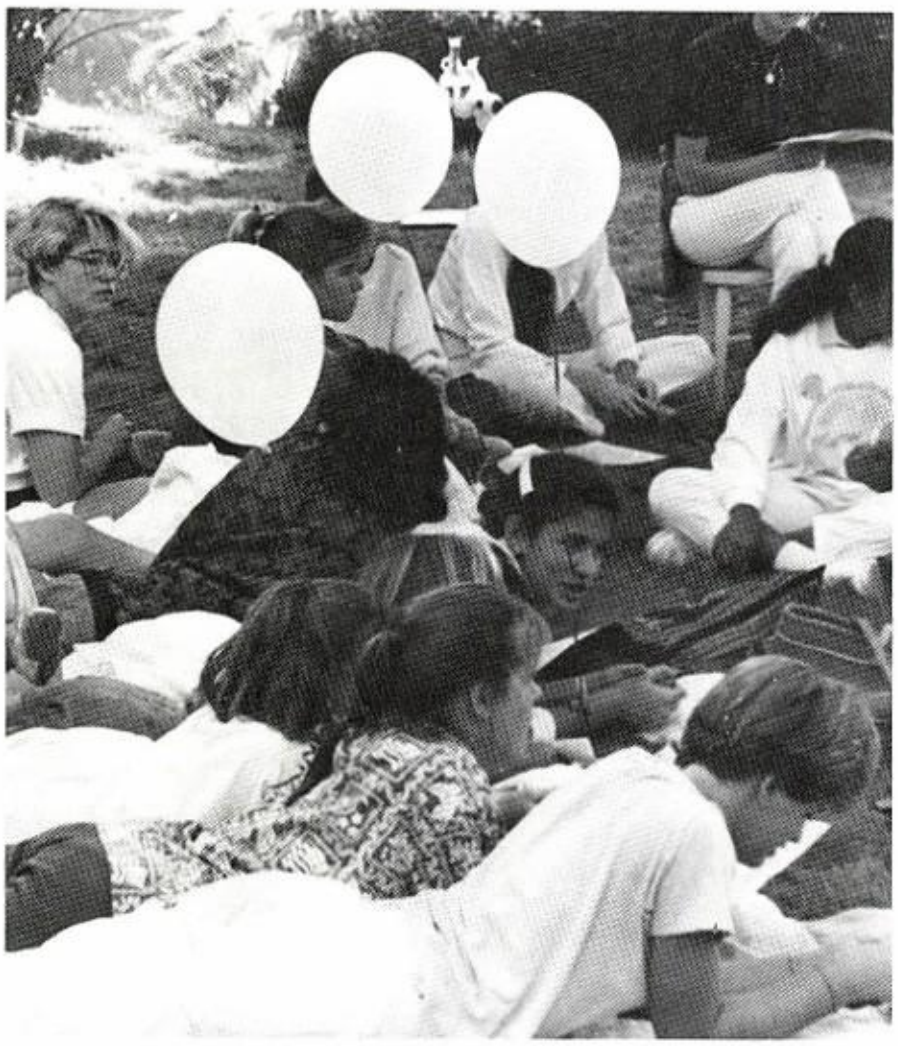
Invasion of the Freshmen

To start off the new school year with a sunburst, Mayfield celebrated its fourth annual barbeque. Not only did freshmen become better acquainted with their new classmates and big sisters, but returning students got reacquainted with **their** old buddies and chatted endlessly about their summer vacations. Among the many activities during this warm, fun-filled day were the three-legged race, and the student-faculty "beach" volleyball game on the grass. While all of us were working up our usual **ravenous** appetites, our five-star Mayfield cooks were barbequeing up their **scrumptuous** "beach burgers." All this excitement was the perfect ending to the "Indian Summer" and a fantastic start for the new school year ahead.

. . . Sounds Like —

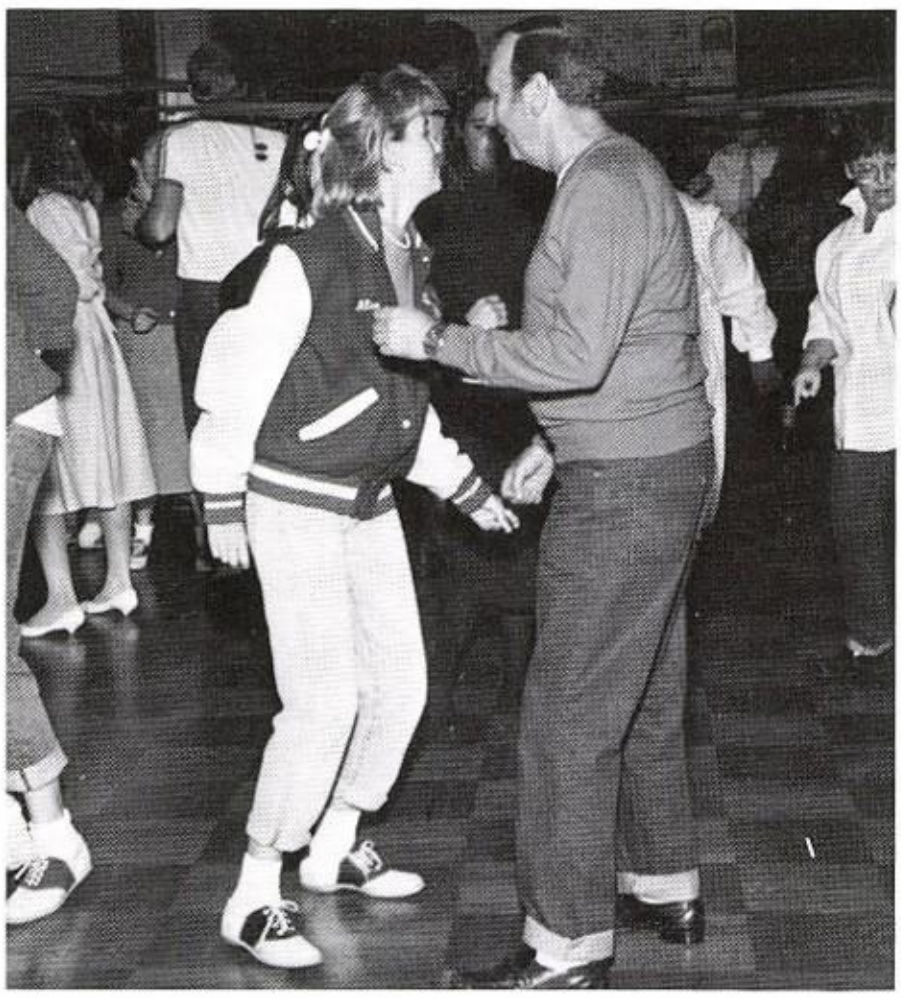
RETREATS

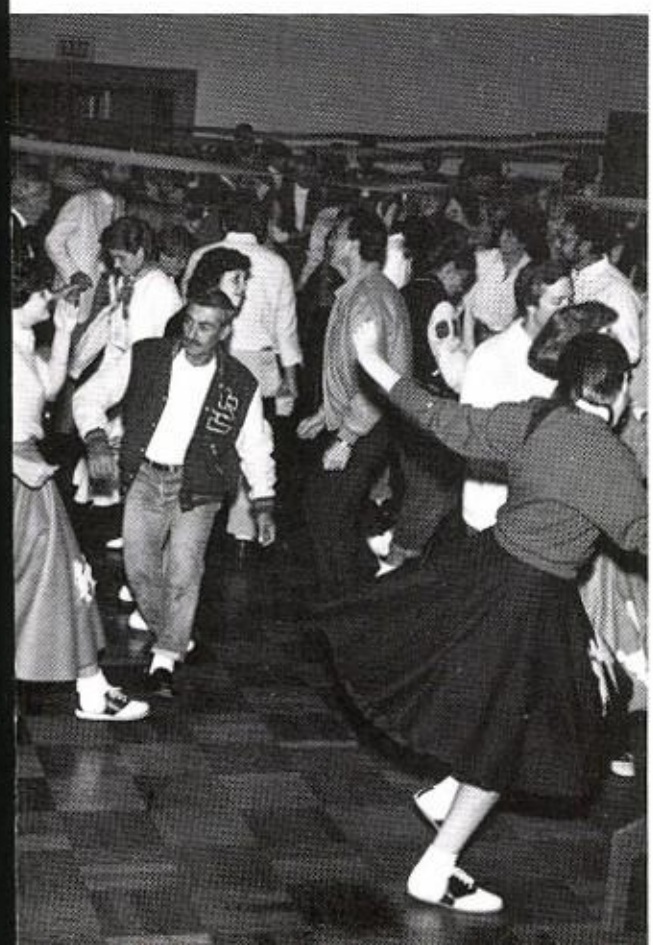
Every year, Mayfield students take time for reflection in our traditional retreats. Each journeyed to various areas of California during this period of time. The seniors relaxed at Big Bear, juniors at Malibu, sophomores at Valleyrmo, and freshmen at Mayfield. This time also helped each class to become united, not simply individuals.



FATHER/DAUGHTER NIGHT

"Bop with Pop," this year's theme for our traditional Father-Daughter Night, gave us a great opportunity to dine and chat with dear old Dad. To enliven this event, we adorned ourselves in Mom's poodle skirt and saddles, and then to finish it off, we uplifted our hair in the fifties' "so-in-vogue" ponytail hairstyle. Starting off, Father Ralph celebrated Mass and was followed by a wonderful barbequed feast. Pictures were taken to commemorate the unforgettable event, and to top it off, a simply "groovy" DJ entertained all with "fifties' favorites." This night we will never forget and we may always look back on it with a smile.





THE KING AND I

Truly "Something Wonderful," this crowning glory of Mayfield dramatic productions evoked images of faraway pagodas and exotic gardens of lotus blooms. Ms. Johnson's magic paintbrush, Dr. Salvati's enchanting choreography, Mr. Jenal's scintillating tech effects, as well as Ms. Jenal's expert touch in directing (with her assistant, Vicky Corral, tying up loose ends), transformed a troupe of simple thespians into an oriental masque. *The King and I* will recall some of the fondest memories of the Mayfield stage.

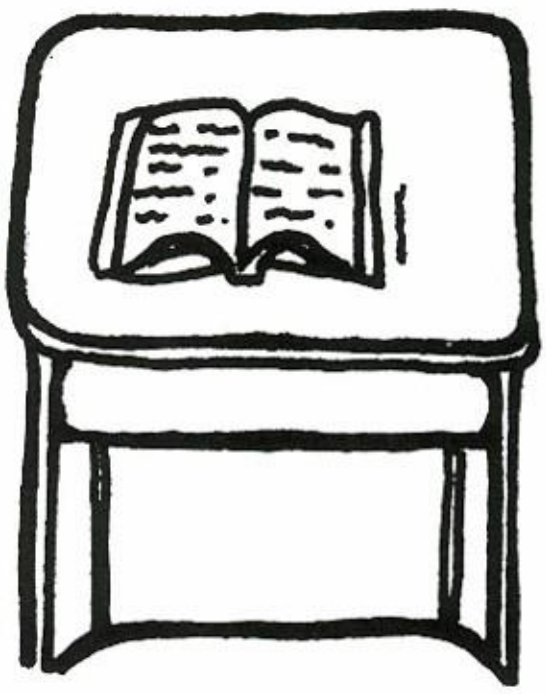
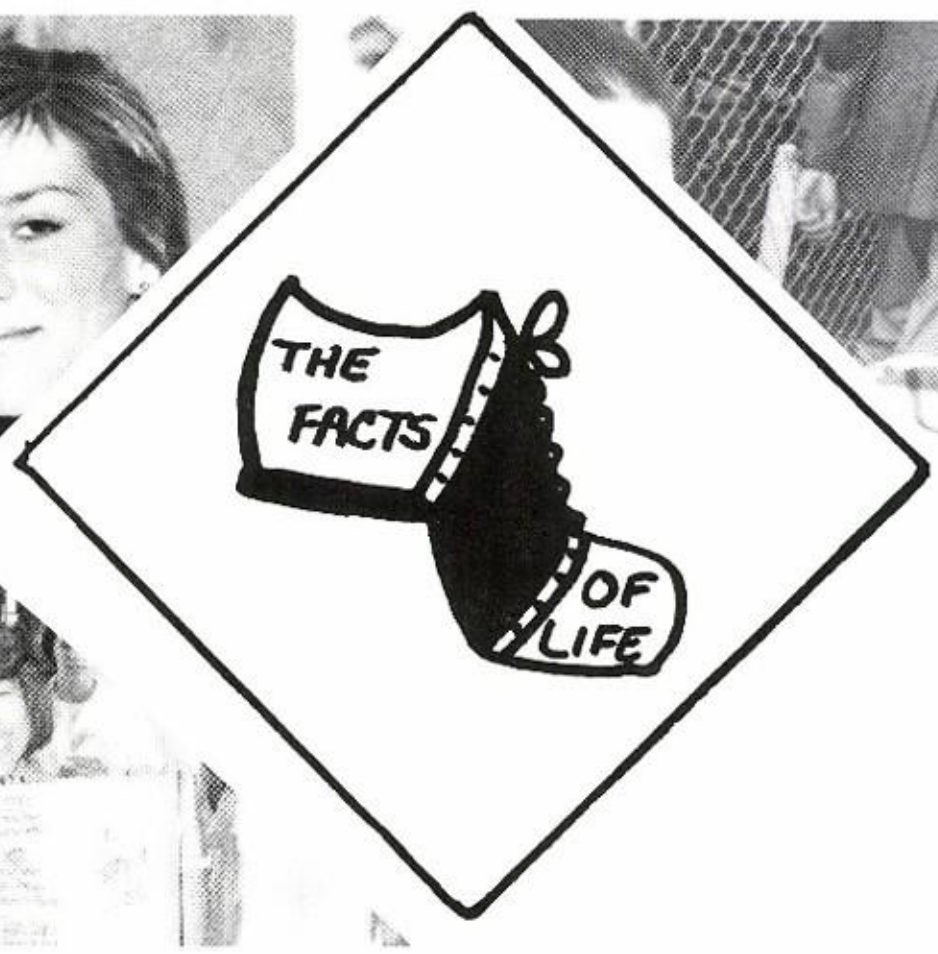
FACTS OF LIFE

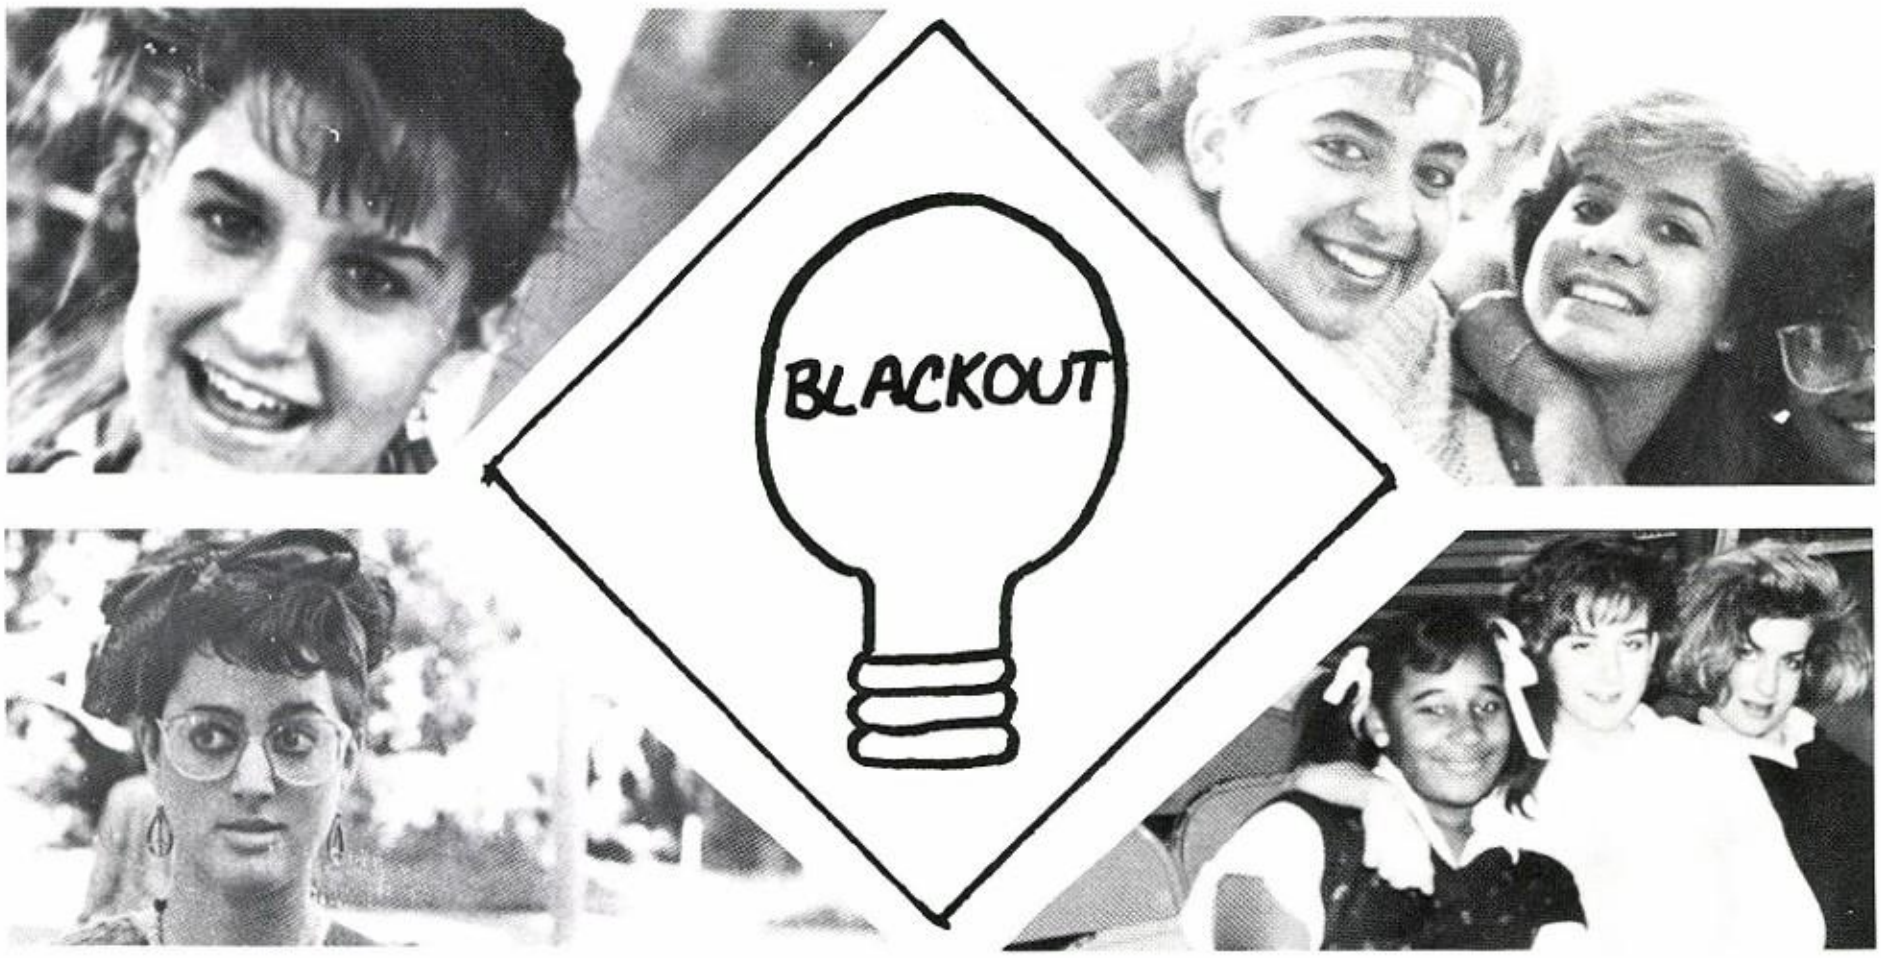


In **Facts of Life** once again the new Freshman class has delighted us all with a surprisingly professional rendition of the T.V. sitcom. With the humorous confusion of having celebrity parents, the talented Freshmen lit the stage with amusing originality which earned them the Best Original Idea Award. Nabbing awards for Best Class Actress and Best Class Supporting Actress were Octavia Howell as the tomboyish Jo, and Jenny Gorman as the "fly-eater;" however, the **entire** class deserved a standing ovation for presenting such an entertaining play!



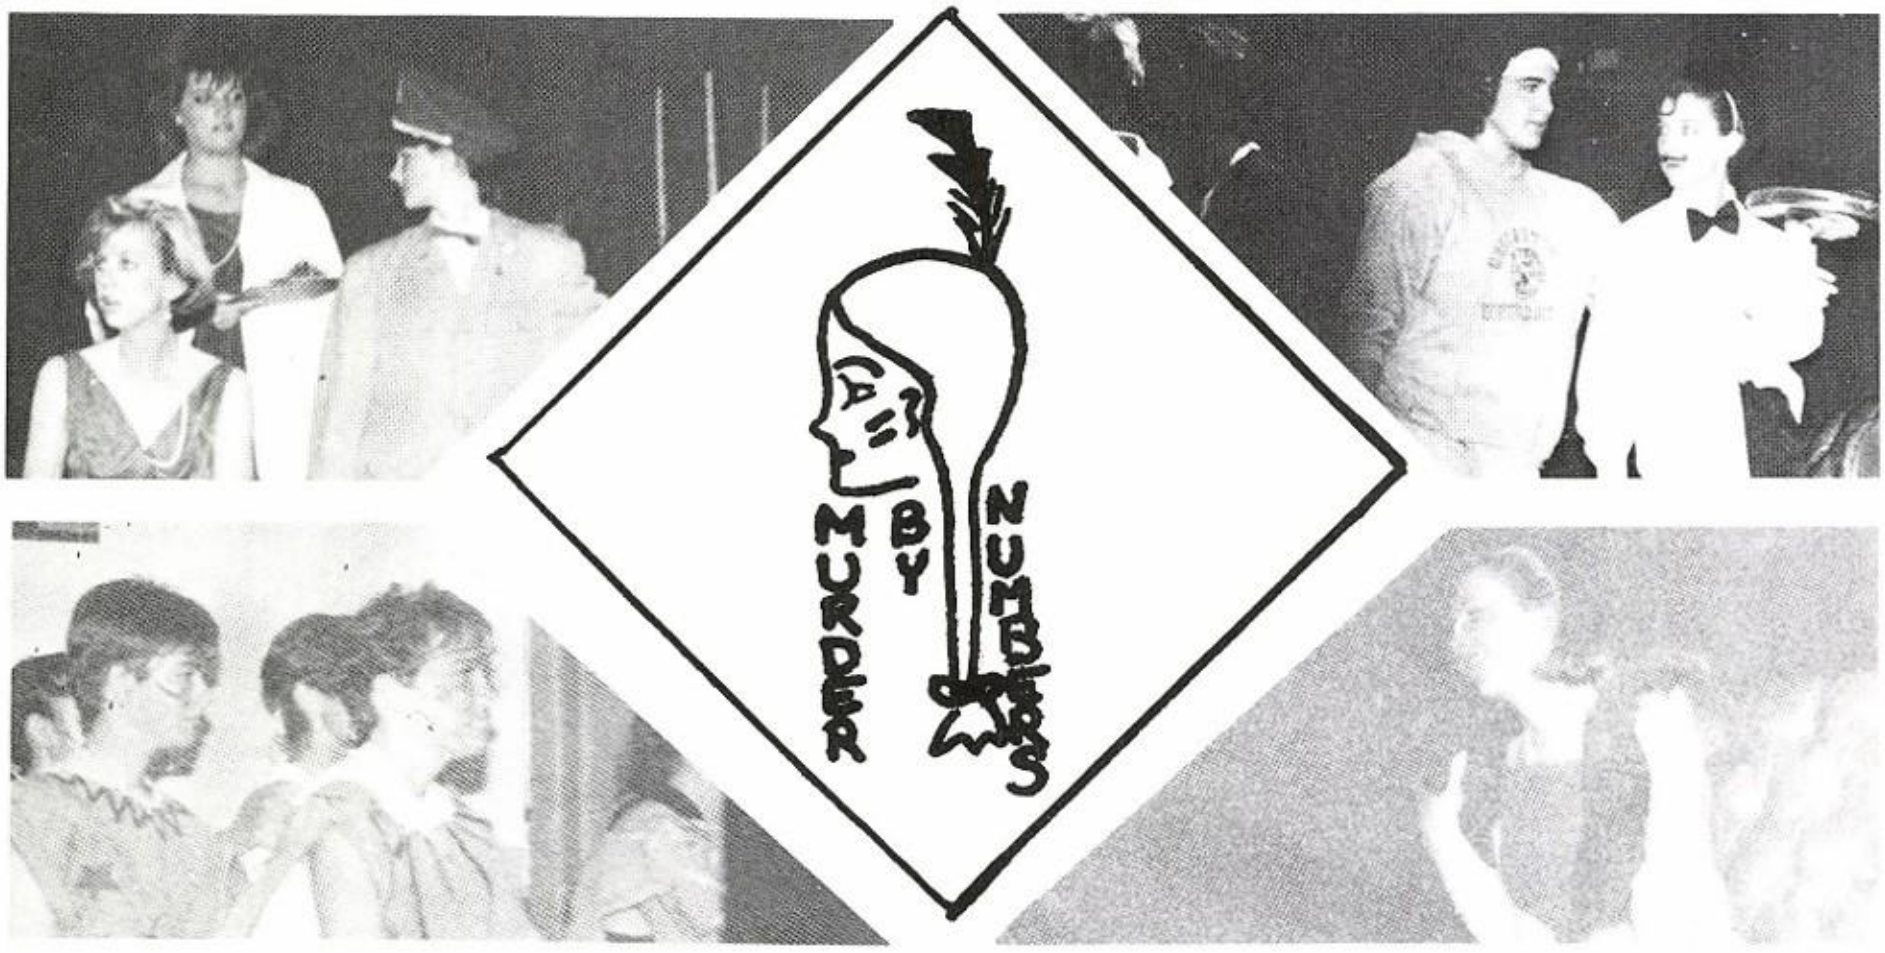
BLACKOUT

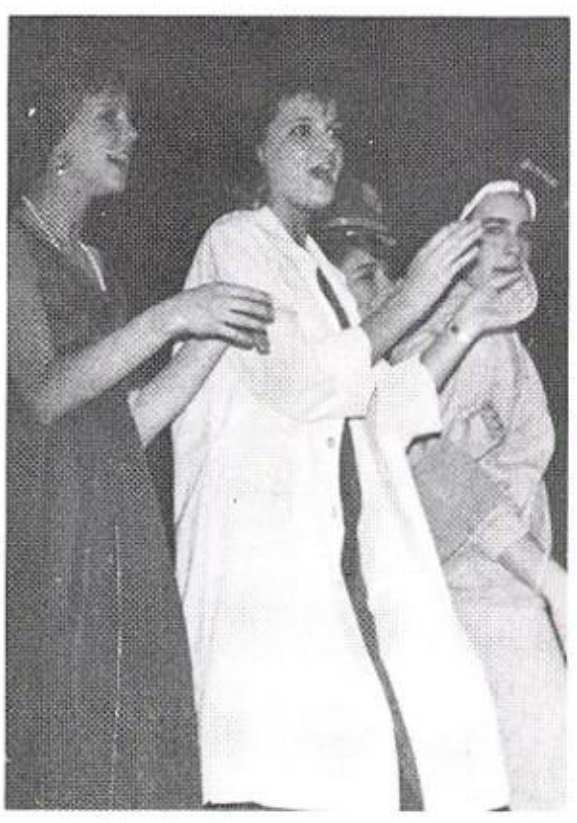
What a production! **Blackout,** this year's Sophomore production, was loaded with action, tragedy, humor, and a twist of fate as a crowning touch. Although they only walked off with the Best Costumes Award, Zelda the psychic (Michele Kluth), and Bob Henderson the All-American Dad (Allison Palmer), performed masterfully, along with the help of their supporting Sophomore cast. Not only was it an **almost** award-winning production, but it also taught us a lesson not to jump hastily into **any** conclusions.



MURDER BY NUMBERS

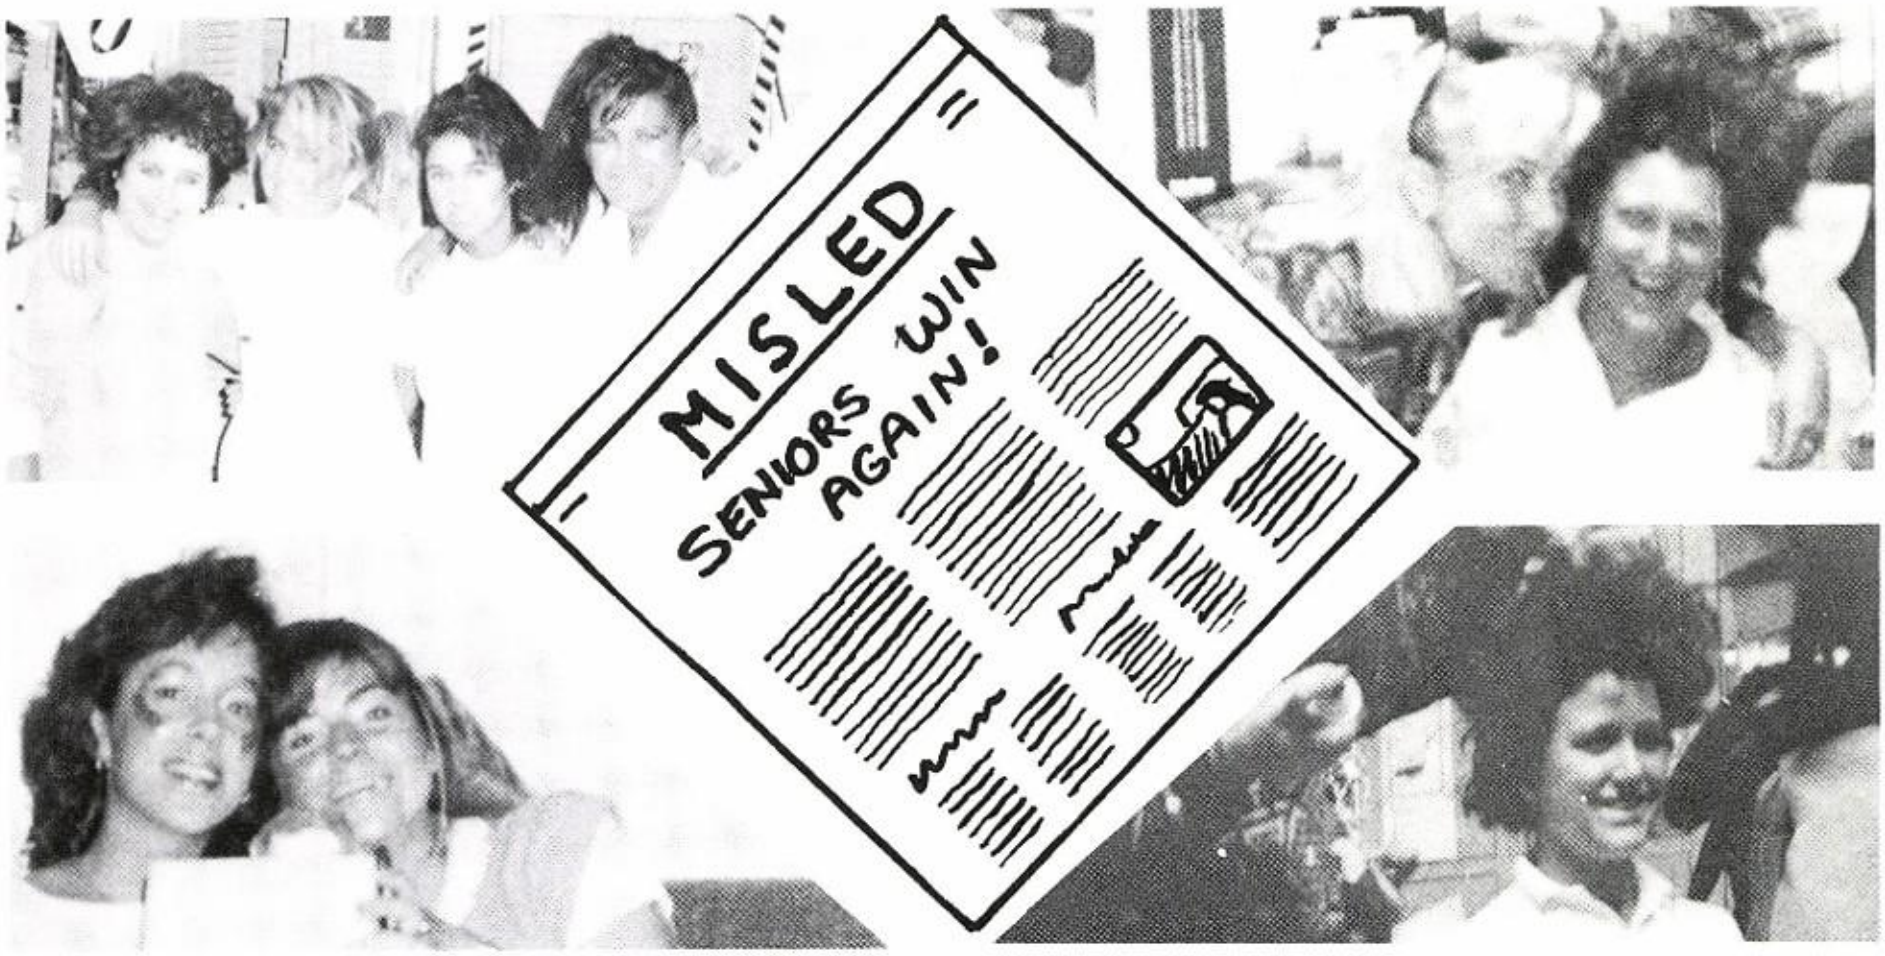
The Juniors' production of **Murder by Numbers** proved **definitely** suspenseful. After hearing many screams and witnessing strange disappearances, all evidence showed that they put much time into their class play. With a plot not unlike the Agatha Christie novel upon which the play was based, the Juniors thrilled the audience with the heart-stopping music from **Psycho** and their cleverly produced Judges' Program for which they won an award. To top it all off, Carrie Krinock won the Best Class Actress Award for her role as Mrs. Fred Rogers and Lisa Pawlek won Best Class Supporting Actress as the hip announcer.

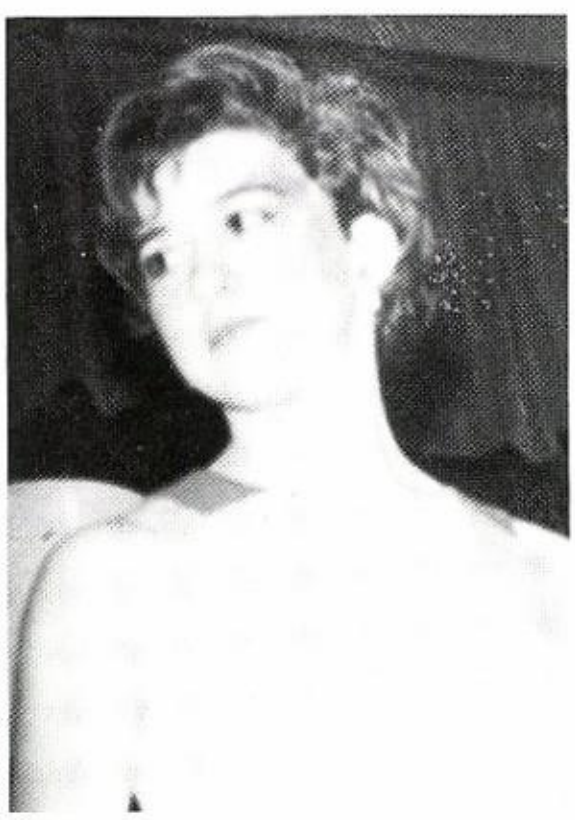




MISLED

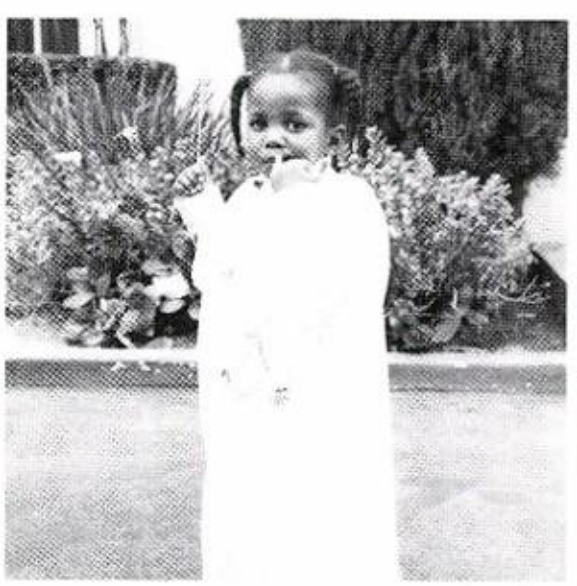
We Were Misled! One of the **élite** few classes to win Best Play as other than a senior class, the Seniors of '86 danced away with yet another Best Play. Their comic musical revolved around the three retired Mr. McManus, Ms. Bologna, and Ms. Gillick reminiscing about the **wonderful** class of 1986. Strangely enough, some of those very same girls turned out quite different than the Mayfield crew expected! Especially memorable were the polyester-plaid disco costumes, stunning choreography and award-winning sets as well as the Seniors' own Class Best Actress Ana Sufuentes portraying an absent-minded Mr. McManus, and Mollie Murphy as the blond-bombshell who deservingly toted home the Class Best Supporting Actress Award.

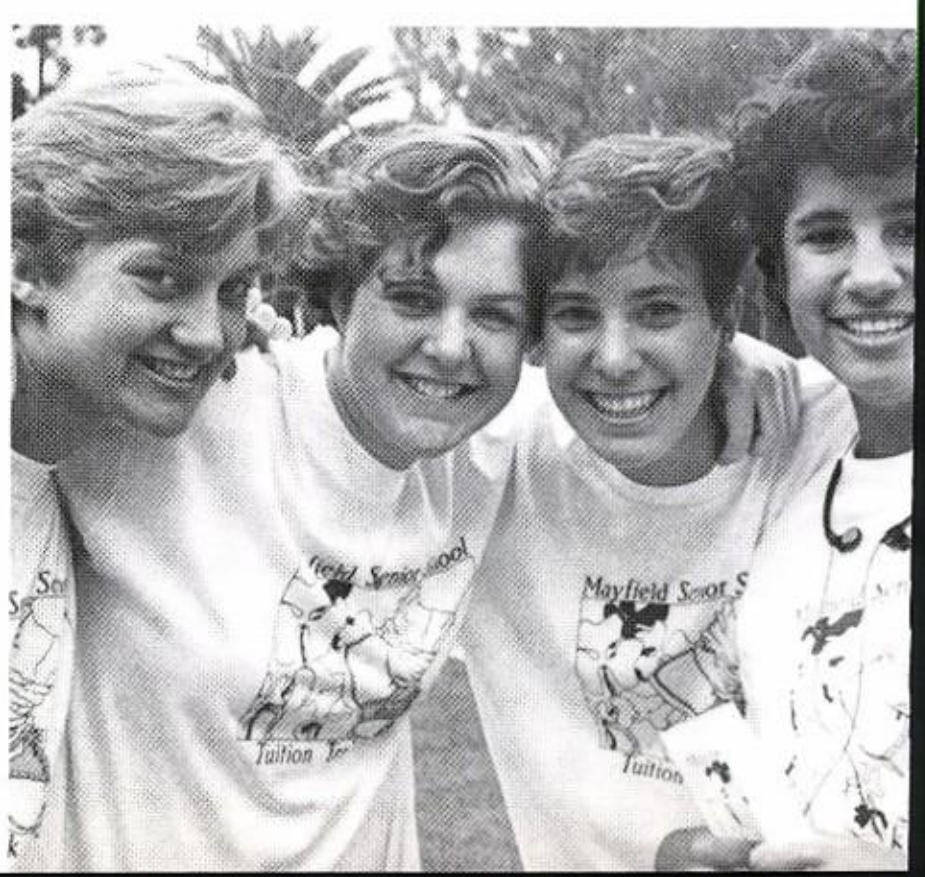


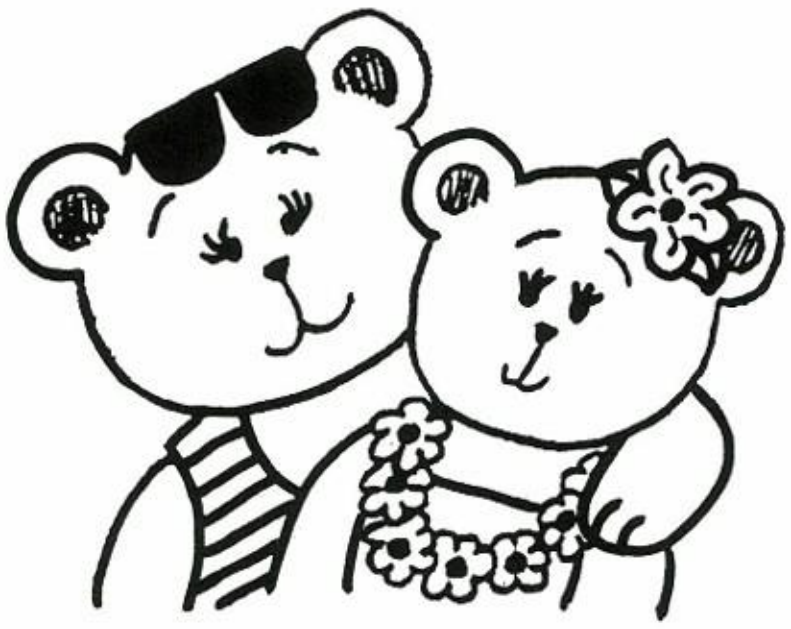


TUITION TREK

This year's theme once again, "Go for the Green," invited all to engage in a brisk walk under our usual sunny California sky though the weather was actually **cooler** than we expected! And what a reception! Hordes of enthusiasts emblazoned with white shirts marked with kelly green and distinctively led by an Irish-garbed bagpiper down Orange Grove, not only created a memorable day, but most importantly, raised money that was donated to alleviate tuition for our striving scholars and a touch-of-the-Blarney taste of our Mayfield community!

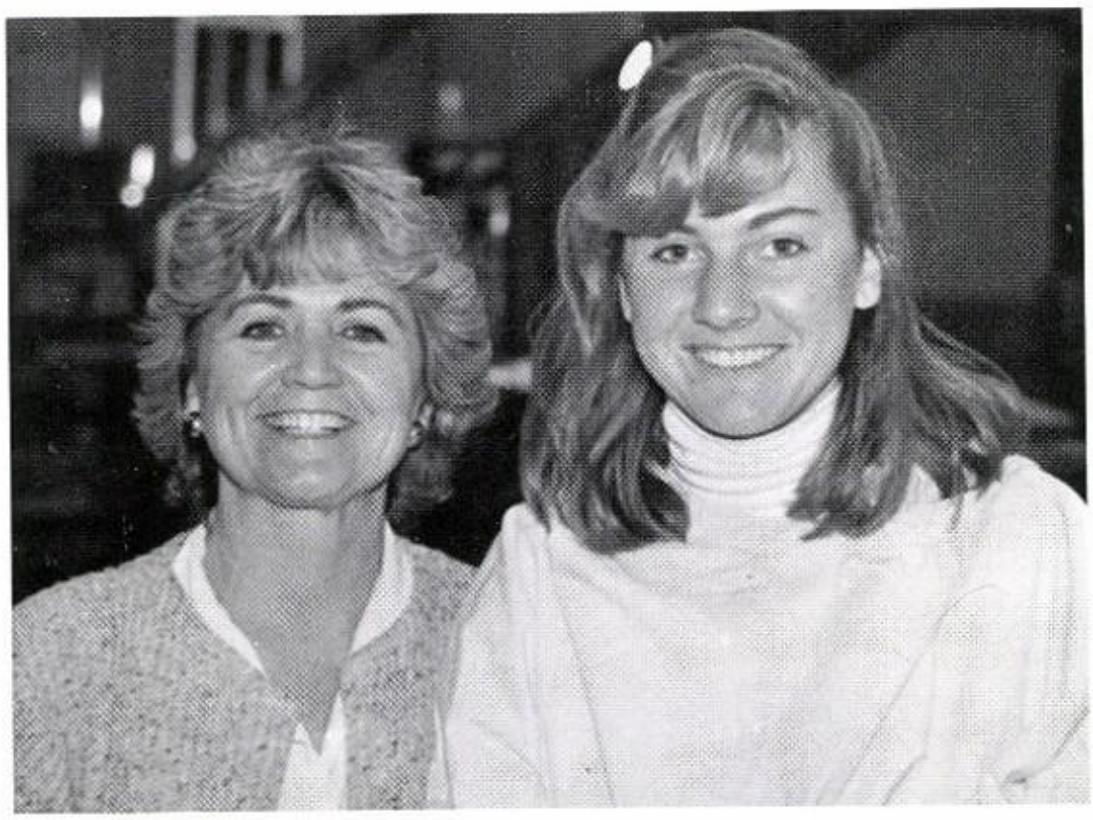






MOTHER-DAUGHTER NIGHT

On the night of April 24th the mothers and daughters of Mayfield shared a very special night together. They had a terrific mass and a wonderful dinner complimented by live entertainment. Mother/Daughter Night turned out to be quite a **successful** evening that gave all the mothers and daughters a chance to reflect upon how much they care for each other.



CHRISTMAS DANCE

Just hear those sleigh bells jing-i-ling, ring-ting-ting-a-ling, too . . . come on it's lovely weather to dance all night with you . . . indeed the Class of 88's exhilarating Christmas Dance found couples waltzing, twisting, and bunny-hopping all about the halls which were charmingly strung with twinkling lights, glitter, and holly berries. Though Santa could not put in an appearance, one would have expected him to merrily fly in, reindeer and all, just to celebrate the festive mood pervading the campus. Elegantly-clad young ladies and their tuxedoed escorts departed, already cherishing that night before Christmas when they could have danced all night.

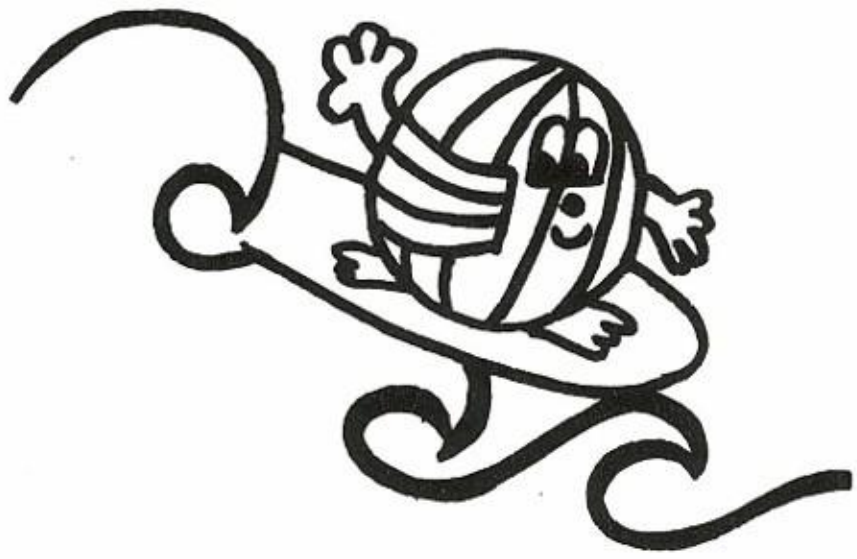
VARSITY VOLLEYBALL



Never did the Varsity Volleyball Team fail to provide an exciting game for the Mayfield crowd! Always a contender for number one, they fiercely battled league toughies in the quarter finals of the playoffs. Although they lost the 5th game 15-13, they proved to all that they were a force to be reckoned with. These star players had an excellent season . . . as co-captain Monica Smith summarized, this team was "The most incredible!"

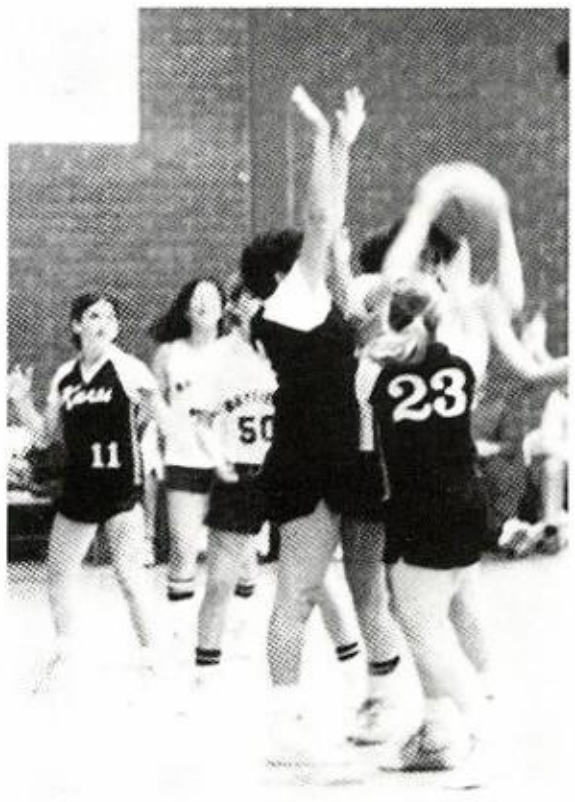
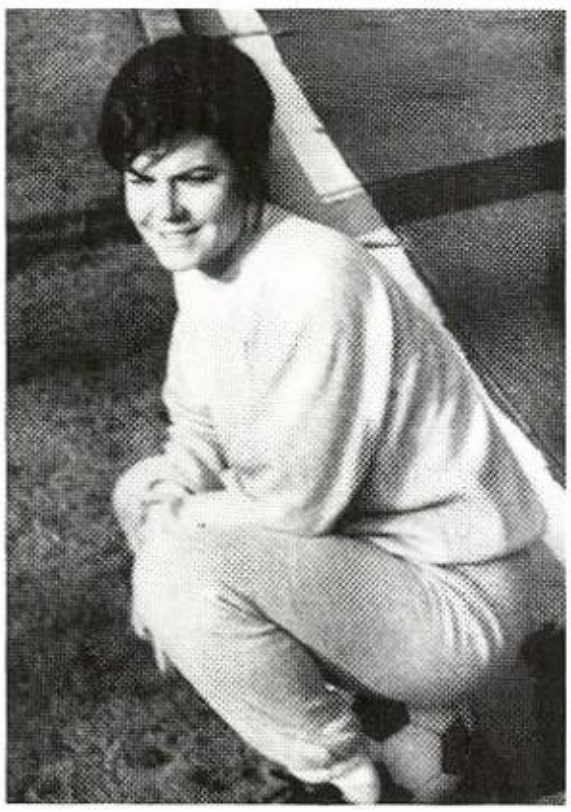
By practicing numerous hours, roughing up new sneakers, and keeping up each other's competitive moods, it's no wonder they dribbled off the courts with flying colors! Naturally, they are destined to become a stupendous varsity team in the near future!

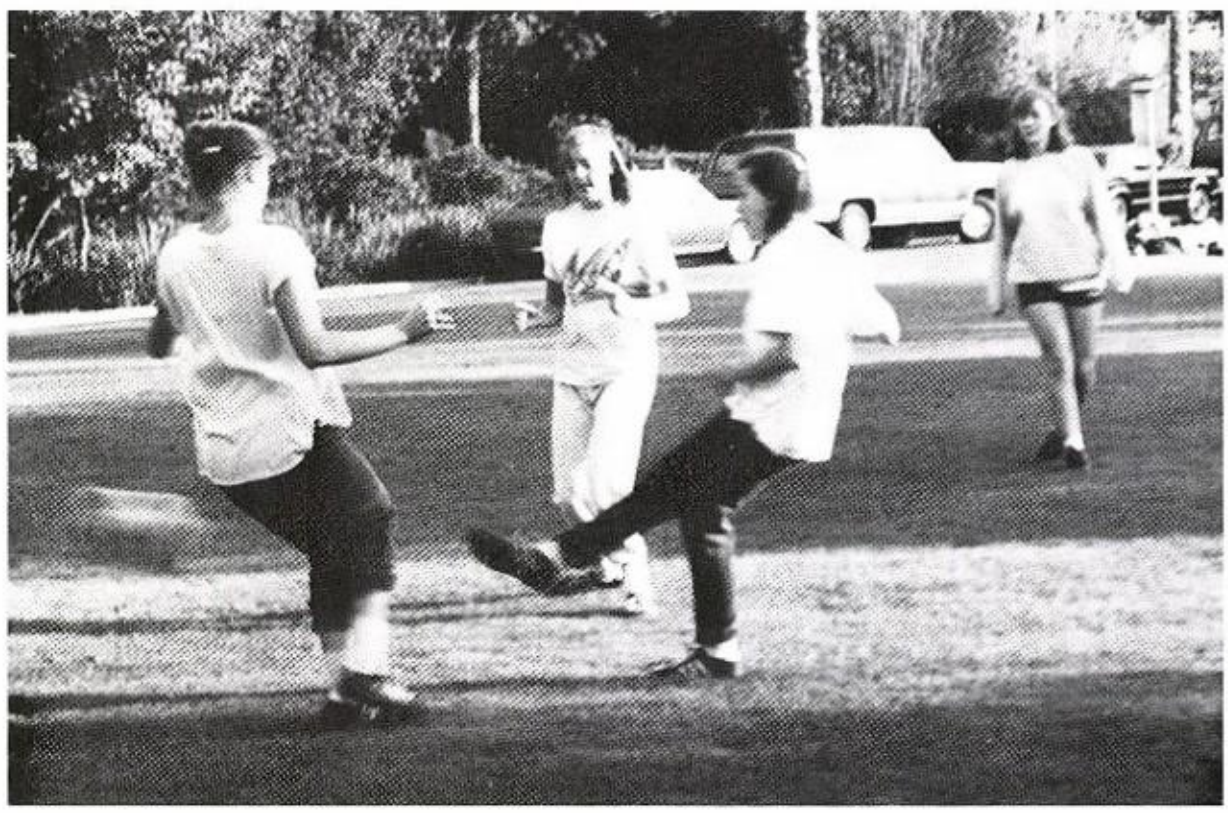


ront Row: Raquel Apodaca, Christina Baselga, Rosie Ureno. **Back Row:** Dionne Rapozo, Heidi Marsh, Michelle Cox.

VARSITY SOCCER

The Mayfield soccer team proved superb this season. They started off winning their first game against Gladstone 8 to 0, a terrific omen of the fabulous feats they would execute the rest of the season. The outstanding coach, Mary Tartaglione, aided by team captain, Laura Mackey, and co-captain, Cheryl Daly, inspired the players to do their best. The fullbacks were super, preventing their opponents from scoring with much help from goalie, Betsy Knox. The halfbacks stole the ball and the forwards scored goal after goal. Altogether, the players' exquisite performances marked a victorious season!





M. Bueno, L. Rath, S. Kolsoe, A. Bell, C. Daly, A. Williams, H. Warfield, S. Enloe, J. Caton, L. Mackey, J. Gorman, Mr. Bitonti, K. Colborn, Ms. Tartaglione, B. Knox, K. McAniff, L. Pawlek, M. Sechler, M. Collins, M. Sechler, M. Marino, J. Bitonti.

The power hitters shot home run after home run while the speedsters swiped many a base. The fielders courageously dove for wild line drives as the pitchers stunned the opposing batters with twisting and turning curves. The players' exciting games won them tons of loyal fans all over Pasadena.

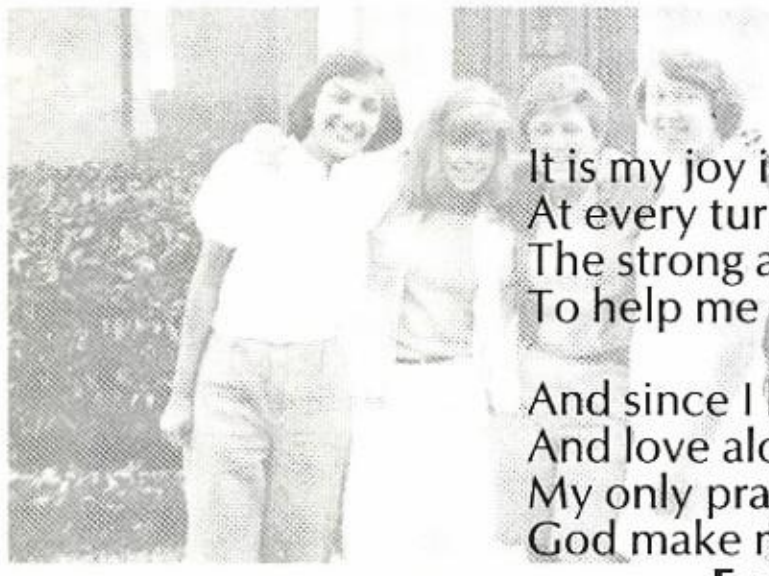
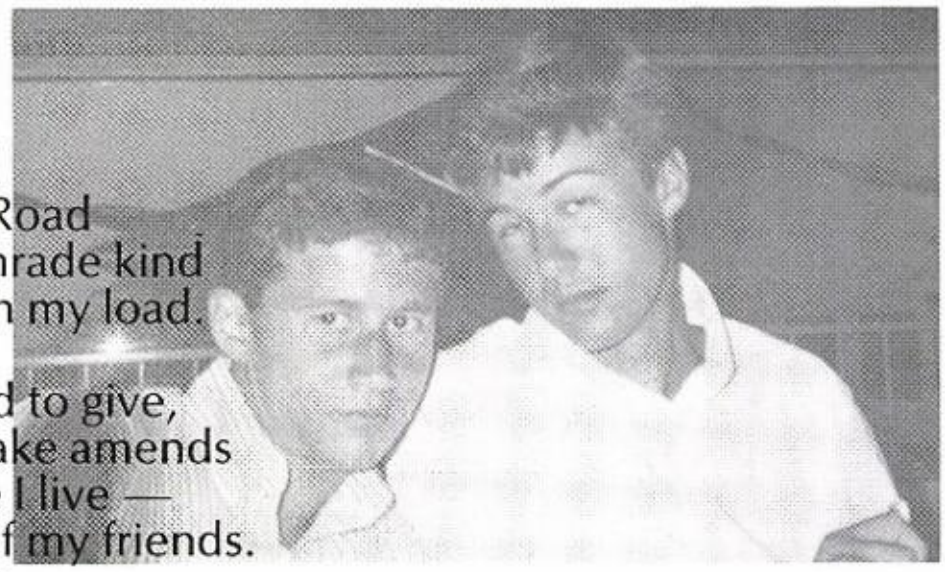
Santa Clara or Bust

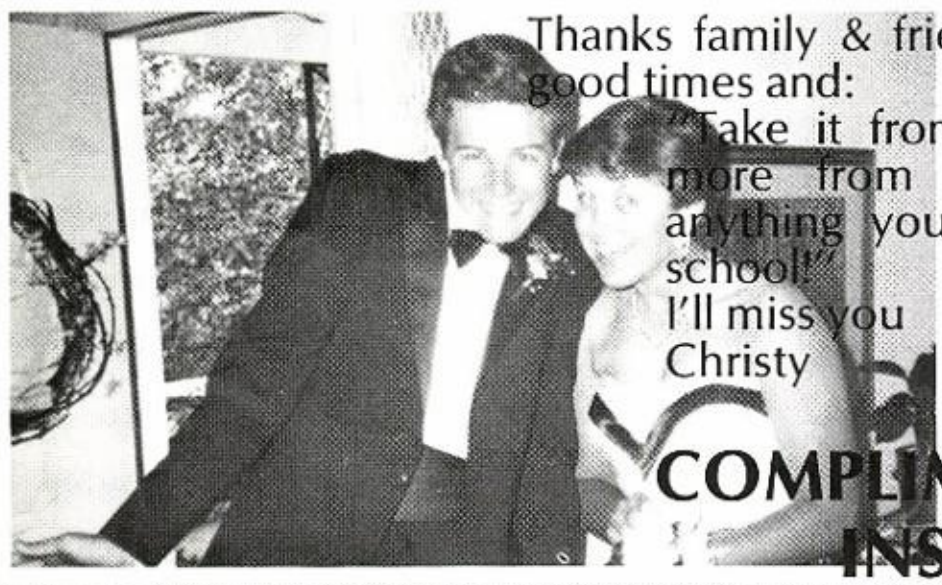


It is my joy in life to find
At every turning of the Road
The strong arm of a comrade kind
To help me onward with my load.

And since I have no gold to give,
And love alone must make amends
My only prayer is, while I live —
God make me worthy of my friends.

Frank Sherman





Thanks family & friends! I'll never forget all the good times and:
"Take it from me — you'll learn more from your mistakes then anything you could ever learn in school!"
I'll miss you
Christy

ELP J31165,

The beach. The one thing in California that is loved and used by everyone. Made up of many components, the beach emphasizes that we should relax and enjoy our sometimes hectic life. Like the beach, the Crossroads production is compiled by many and is distributed for the pleasure of everyone. Patti and I would first of all like to thank our beloved advisor, Peggie Johnson. Miss Johnson was there to correct our grammar, to evaluate our photographs, but mostly to encourage our creativity — always with a smile (well, almost always!)! Next we have to acknowledge our staff. We have to acknowledge them because Miss Johnson said we did, and because they are our friends (except around deadlines!). Thanks to Elisa, Bernadette, Heather, Chiga, and Margi. These editors and their staffs have helped comprise a book that we all can be proud of. Our staff this year contained skilled photographers, artists and businesswomen; not to mention our dedicated layout and copy staffs. We hope you enjoy our memories from 1985-1986. I would especially like to thank Patti for all her help and patience. She shows the meaning of Crossroads — friends working together to conquer the world — well in our case, Mayfield. We wish everyone a great summer and be sure to hit the beach. Please always remember that "Life is a Beach," but if you stick with your friends, life can always be what you want it to be!!!
